### Concert Countdown Update

We came back from our vacation drowning in our day jobs and rescheduling of PJMA events. We are please to announce that we are back on track with scheduling events. This concert countdown gets the latest plans out to all of our alliance bands.

### Welcome Boatmans

Thanks to a visit by our bands for the Summer Concert to the Southern Community Center in Lusby we found out that there was a error in scheduling and we had to relocate the event. During a quick drive around the county on the Thursday before the event we were able arrange for the use of Boatmans in Ridge. The Summer Concert was a big success, the owner was very happy with the music, the band fans and the local patrons turned out to enjoy the concert. The owner of Boatmans has made available every Friday for the Summer for PJMA events. The schedule below reflects the shift in PJMA events to Boatmans were possible.

### Grand Opening Summer Concert at Salon Rezen and Spa

PJMA has been invited to hold the 19 July Summer Concert at Salon Rezen and Spa to help celebrate their grand openings. Autumn, the owner and a long time supporter of PJMA is looking for a mix of Pop Punk, Indie, Alternative, Techno and Club music. The event will be held behind their building which is behind the Bear Creek BBQ.

### Park Rock 2008

The Park Rock Committee continues to make changes to the draft music program for Park Rock 2008, the PJMA and Park Rock Websites are trying to keep up with the changes. The stage Producers have been making contact with the bands to see if the schedule is workable and the is most likely going to me more tweaks as we go through the summer.

The post card flyers have been received. The big poster is at the printers and will be picked up on 3 July. Over the holiday weekend we will start the distribution of post cards and posters to local merchants.

The next meeting Park Rock Committee Meeting will be on 20 July at My Brothers Place in Waldorf at 3:00 PM. Watch for the meeting announcement with the telecom phone number.
